Area Chair Report February 8, 2009

Greetings SANA-

Another month has flown by. I noticed that policy states we needed to have the SANA account audited and also the Literature account. I will add this to the agenda. Also, added discussion of the Game Feed.

In Loving Service
Tonya H,

Area Vice Chair 2/08/09

Greeting SANA

My report is as follows. All is going well as what has been reported to me. H&I is steadily seeking opportunity for growth by expanding its commitments and participants in carrying the message to addicts who otherwise might not get a meeting. I'll let Scott tell you the specific in his report. Great job Scott. I've spoken to Mitch about activities starting with the Valentines dance and he assures me that all is going well with this. There has been discussion concerning ways to effectively cut down on overhead by finding equipment particularly for dances – that they be donated for such a cause. Thanks for your efforts Mitch. I've also spoken with Joel and have seen the newsletter and the great job that's been done on it so far and I think all will be pleased. Thanks Joel.

I've spoken with Adam about PI in our area and am pleased to report that we have sought to establish a means of increasing our effectiveness in other counties maybe thru our awesome website which Rob H. does such a fantastic job on for all addicts in our area and beyond Thanks Adam and Rob.

I've spoken with Bill O. about our literature and all is continuing to go smoothly there. I wish to thank all the Chairs for your eagerness and determination to serve and make our area what it is.

Gratefully & Sincerely Yours
Vice Chair – Don Brown
