SANA Activities Report February 14, 2010

My name is Sarah and I'm an addict.

Greetings SANA,

The Activities Committee has been quite active over the past month. On February 7th, we held a Super Bowl party at the Unity Club. 45 people showed up and enjoyed a potluck dinner. Fortunately, the game was a close one which helped maintain the excitement throughout the evening. A special thanks to Misfits for donating pizzas for the event. They were gone in less than 20 minutes. From this event, we have a \$45.41 donation to Area.

Last night, we held the Valentine's Tough Love Dodge Ball and Dance. I was a little worried about how the Dodge Ball Tournament would turn out, but there were plenty of willing participants, and Mike M. did a fantastic job of organizing teams and refereeing games. Around 40 people participated in the Dodge Ball Tournament, while many others watched and cheered from the sidelines.

A special thanks to SANA's own Jason P. for speaking. He did a tremendous job and delivered a powerful message. The Dance was a huge success. My best estimates place the attendance total at around 120 people, including about 20 from Omaha, Norfolk, and Columbus. Scott R. DJ'd the dance and did a great job at the reasonable price of \$150. After supplies and expenses, we made \$429.86, which will be donated to Area.

I would sincerely like to thank everyone who donated their time and effort in making the Valentine's Day event a success. I'm very grateful to everyone who donated food, helped set up, helped serve food, and helped clean up. It's only through the efforts of everyone involved that we were able to have as much fun as we did.

In loving service,
Sarah

SANA Literature Report February 14, 2010

Greetings SANA,

The Literature Department is healthy. There is nothing interesting to tell you other than Living Free purchased a shitload of literature from me the other day, which was the largest transaction I have made thus far as literature chair. If you want literature, please see me or my nonexistent secretary. If my nonexistent secretary is unable to help you, you can file a complaint to the nonexistent SANA Literature Quality Control Committee. They will be happy to give no consideration whatsoever to your grievance.

In loving service,
Ross W.

SANA Vice Chair Report February 14th, 2010

Greetings SANA,

Don B. and I are planning to go to Region in Des Moines on the 20th of February. We plan on bringing back a report on the GSR workshop and the Concepts workshop. There is a possibility that we might be able to get someone from Region to come to the Siouxland area and host a workshop here over GSR and Concepts.
