

Do's and Don'ts of Hanging Flyers

- Please dress and act appropriately. Your behavior is a direct impression of what our program has to offer to anyone viewing you hanging they flyer.
- If trusted servants are planning to leave flyers at professional offices, hospitals, etc., be sure to get permission from a person who is authorized to give such permission. This kind of communication can help to ensure that NA flyers are not merely thrown away.
- Hanging posters is a team effort. Two trusted servants work together, and this is an opportunity for a newer member to be paired up with an experienced member.
- Poster visibility is a key factor with distribution. Keep in mind that placing posters in high-traffic areas will allow for maximum exposure.
- Refrain from placing posters on public telephones, trees, public restrooms, etc. Many communities have ordinances concerning this type of activity. Check with the local authorities regarding such ordinances.
- Organize with other members in the flyer hanging campaign to maximize city area coverage and to conserve time and gasoline.
